New Mothers
Expect A Lot.
And We Deliver.

New Birthing Center Joins a Growing McLeod Family of Services.

When it comes to delivering babies, we're certainly no new kid on the block. In fact, our doctor's have been welcoming little bundles of joy to our corner of the world for more than 60 years.

But with the new state-of-the-art birthing facilities at McLeod Medical Center-Dillon, we can now deliver even more comfort and peace of mind for expectant families. And at

the same time, make it available at a reasonable cost.

Exceptional Care is Close to Home.

Designed to offer an ideal birth environment, the new birthing center at McLeod Medical Center-Dillon is ready for you from the moment you arrive. Through our physicians and team of outstanding skilled health professionals, we carefully blend personalized attention and a warm environment with the best in modern obstetrical care.

We offer:

- Board-Certified Pediatricians
- Board-Certified Obstetricians and Gynecologists
- Four spacious and warmly decorated labor and delivery suites that overlook a beautiful courtyard and meditation garden
- State-of-the-art fetal monitoring for high-risk pregnancies
- 12 rooms for recovering gynecological surgery and post-partum patients
- Advanced nurse monitoring stations
- New Operating Room/C-section Suite
- Level I skilled newborn nursery
- Direct access to McLeod Regional Medical Center's Neonatal Intensive Care Unit via McLeod ChildReach ambulance with special ambulette
- Greater security with controlled entry
- Inviting family waiting area
- Breast Feeding Education Center
- 5-week Childbirth Preparation Series and Early Pregnancy Celebrations
