## Corporate Partners

*Gifts reflect donations made between January 1 to December 31, 2008.*

Corporate Partners of the Foundation invest charitable dollars to help improve the health status of the community and they become involved in special projects that promote good health among their employees, their neighbors, and their families. Corporate Partners and Corporate Founders attend special programs hosted by the Foundation, which are designated to provide useful information on health care and wellness that will benefit their constituents. Corporate Partners give \$500 ~ \$999 each year. Corporate Founders give \$1,000 or more annually. The Foundation welcomes the working partnership of businesses and their employees throughout the region.
